This luxurious development located in western Estepona is distinguished by its exceptional quality and carefully designed communal areas. In harmony with the natural surroundings, spaces conducive to relaxation, work, and physical activity have been designed. It features a heated indoor pool, an exclusive spa area with a sauna and hammam, a modern gym with panoramic windows overlooking the garden areas, an outdoor pool, and a multifunctional co-working space. Special lounge areas equipped with fireplaces allow for relaxation in an informal and comfortable atmosphere year-round.

The project is characterized by low-rise buildings and integration with the surroundings, providing residents with a sense of space and privacy. Extensive glazing and curved terraces, inspired by the coastal landscape, allow for a seamless transition between the interior and exterior, emphasizing a modern style that harmonizes with natural materials - wood and stone.
