This new development, located in the heart of one of Fuengirola's most desirable districts, offers 218 modern apartments with 1, 2, and 3 bedrooms. The project follows a "resort-style living" concept, offering bright, comfortable apartments conducive to relaxation, access to extensive communal areas, and a surrounding area brimming with amenities.

The urbanization includes garden areas, an infinity pool, a gym, a sauna, a solarium, a coworking space, and an underground garage with electric car charging stations. The area will be fenced and monitored.

Each apartment will have a spacious terrace and panoramic windows, guaranteeing excellent interior lighting. Standard amenities include high-quality finishing materials, a fully equipped kitchen with furniture and appliances, a modern bathroom, air conditioning, a private parking space, and a storage unit. Individual design options are also available, such as a private spa on the terrace.
