Situated on a hillside, adjacent to the prestigious Cerrado del Águila Golf & Resort, the development will delight with spectacular panoramas - from the sparkling Mediterranean Sea, through lush golf courses, to majestic mountains.

The project will feature a wide range of resort-inspired communal areas. Plans include saltwater swimming pools, a fully equipped gym, a yoga room, a wellness area with an infrared sauna, hammam, and jacuzzi. There will also be an elegant gastro-bar with a space for socializing, a games room, a children's area, a futuristic gamer's room, and modern co-working spaces - all designed to promote relaxation, activity, and integration.

The apartment interiors will combine elegance with functionality. Extensive floor-to-ceiling glazing will provide natural light and unobstructed views of the surroundings. High-end finishes will include, among other things, Porcelain tile floors, aluminum joinery with double glazing, smart home systems, and aerothermal air conditioning. Thoughtful details and spacious terraces create the perfect environment for living a Mediterranean lifestyle, in complete comfort and style.
