Let us present a noteworthy apartment with a very large potential and an interesting layout in the prestigious "Wiślane Tarasy" investment.

The flat has a functional layout. On the area of **84 square meters**, there are:

- spacious hallway
- bright living room with kitchenette
- wardrobe
- bathroom
- three separate bedrooms

From each bedroom, the possibility of going out to the balcony.

The apartment is finished and equipped with furniture that allows you to live immediately. It also gives great arrangement options and is an excellent base for preparing the perfect place to live under one of the most desirable addresses in Krakow.

The Vistula Terraces project is an evolutionary approach to real estate with an emphasis on the use of modern architectural solutions and the entire range of amenities for residents.

The unique space of Vistula Terraces is:

- The combination of a new investment with a functioning housing estate with full accompanying infrastructure and a rich profile of services that create a unique complex full of world-class amenities.
 - A distinctive futuristic architectural form Green leisure zones in line with the modern ecotrend
 - A combination of original design and art: stylish fountains in the shape of geysers and balls, illuminated aluminum constructions overgrown with climbing plants, living vertical gardens, modernist sculptures and "steel trees" inspired by the "Sky Forest" from Singapore
 - Spacious courtyards with unconventionally arranged greenery and small architecture and a modern playground.
- I invite you to get to know all the advantages of this property

Let us invite you to get to know all the advantages of this property.
