 **KRAKÓW**
Librowszczyna

Mint Property is pleased to present a functional apartment in the center of Krakow.

The apartment with an area of 53.54 m² is located in a renovated tenement house in the central part of the city on Librowszczyna street in the Old Town, very close to the Krakow Main Market Square.

Very favorable location for housing and more. It also enables business operations due to the proximity of the city center, convenient connection of public transport and location of the flat on the ground floor with access from the closed and protected children's side where there are also parking spaces.

The decorated apartment includes:

- entrance hall
- fully equipped kitchen
- bedroom
- a large and spacious living room
- bathroom
- a separate utility room

The source of heat in the premises is gas, and a new furnace was installed in the utility room.

An ideal offer for both investment and family.

The price of the property: 559 000 PLN

We invite you to contact us and to a real estate presentation
