The apartment for sale is located in the Grzegórzki district in the vicinity of the Tauron Arena, in the beautiful green surroundings of Park Lotników. It is an investment apartment with 5 separate rooms, including one with a balcony.

The rooms were decorated by an interior designer who introduced a modern glam atmosphere. The equipment and accessories have been carefully selected. In addition, there are porcelain tiles throughout the apartment, the walls are made of double, thick plasterboards, high-quality hans grohe fittings were used, the rooms have very comfortable hotel beds. All the equipment in the apartment is new and under warranty.

In front of the block there is a parking lot for residents only, the whole estate is closed and monitored. There is also a bicycle storage in the block, for those who like active recreation, and it should be emphasized that the area is perfect for this.

The location is great for both working and studying people as there are 2 tram stops within 5-10 minutes. You can get easily to each side of Krakow. There are universities in the close vicinity - AWF, Cracow University of Technology or UEK, as well as Pilotów Tower, Tertium Business Park, Capgemini Polska, Quattro and Q3 Business Park office centers. In the immediate vicinity there are shopping centers - M1, Plaza and Decathlon, as well as numerous shops, bakeries and service points.

It is possible to sign a lease service agreement with a rent guarantee (PLN 3,000 / month).

In case of interests I remain at Your disposal,
