This is a great place for people who want to live close to the center of Krakow, but at the same time in a quiet area surrounded by lots of greenery. Nearby you can spend a nice time in numerous parks such as the Polish Aviators Park, where there are playgrounds for children. At a distance of about 3 km from the investment runs national road No. 79, which is one of the five transport routes connecting Krakow with Katowice and one of the two connecting Krakow with Warsaw.
