MintProperty presents an offer for the sale of a new and modern 55 m² first floor apartment with a 150 m² garden in a prestigious apartment building in Krakow. The apartment will be delivered in April 2025. The apartment consists of:

- living room with kitchenette,
- two bedrooms,
- spacious bathroom, and
- a garden of 150 sqm, which makes it a perfect proposal for both families and people looking for a space to work remotely.

The location of the apartment is its undoubted advantage. It is located in close proximity to Blonia and the Old Town, which provides residents with access to numerous attractions, cultural and recreational activities. In addition, it offers quick access to the airport.

The apartment will feature a high standard of finishing. The building has an elevator, and the apartment comes with a garden, which is an ideal place for outdoor recreation. The kitchenette, finished in a modern style, blends harmoniously with the living space.

The construction was carried out with high-quality materials, which ensures durability and comfort. The heating of the apartment is municipal, and the windows are made of PVC.

Main advantages:

- **bright, quiet and stylish apartment** fully equipped with custom furniture, household appliances and air conditioning
- **very large, bright garden**
- direct access to walking paths along the river boulevards
- **1.5 km to Błonia Krakowskie.**

In April the apartment will be in perfect condition, ready to move in.

Rent 875 zł.

The price of the apartment 1 355 000
