MINT Property is pleased to present a bright, two-bedroom flat with a separate kitchen, situated in a gated community on Ulanów Street.

The flat, with a floor area of 50.45 m², is located on the first floor of a four-storey residential building.

The interior impresses with its functionality and well-thought-out layout. The spacious, air-conditioned living room, opening onto a refurbished balcony, is the natural heart of the flat — a place for relaxation and family gatherings.

The separate kitchen, well lit by natural light, offers a comfortable cooking experience, and if you prefer an open-plan living area, the partition wall can be removed to combine the kitchen with the living room.

The bedroom is large and easy to arrange — it can easily accommodate a large bed and a spacious wardrobe. The property is completed by a spacious hallway and a fully fitted bathroom.

The 2.65 m ceiling height lends the interiors a sense of spaciousness.

The flat is fully finished and ready to move into — all you need is furniture, household appliances and fitted kitchen units. Everything else is already in place: new installations, flooring, a finished bathroom with a shower cubicle, lighting, air conditioning and radiators.

The flat comes with a storage room of approx. 5 m². There is also the option to purchase a private, lockable garage.

Other flats in this building are also available.
