ul. Kołowa

The apartment is furnished and equipped to a very high standard. Terraces Verona are two representative buildings, built to the highest standards of residential architecture in terms of both spatial and aesthetic values, as well as program-functional. The project combines the high quality of the buildings because of attractive land development around them. The attractiveness of the apartments raise large glazed areas and extensive terraces with panoramic views of Wawel Castle, and Town Hall. However, from the top floor, where there are exclusive duplex apartments you can admire the panorama of Krakow. Terraces, balconies and glazing give the building its lightness, and also leverage the advantages of location. Modern architecture, spacious and well laid out functionally housing will meet the requirements of their inhabitants. The refined simplicity, harmony and attention to the smallest detail is a guarantee of elegance and luxury. The buildings was built with top quality building and finishing materials.

**Price: 1 872 000 PLN**

There is also two parking space that belongs to the apartment and can be sold for additional. One parking space for 45 000
