Lokalizacja:

Salwator is a very popular walking areas. Nearby are - Błonia and the Vistula boulevards with various bicycle routes, including the Vistula Bicycle Route.

Properties located in Salwator are characterized by low buildings and green surroundings, which means that people move to a completely different place. Residents will be able to find peace and rest here after a hard day. Although the atmosphere here is suburban, Salwator is very close to the center of Krakow, and there is also the Salwator tram terminus here, which further improves communication.
