MINT Property is pleased to present you a plot of land ideal for building a house in the dynamically developing Buździeń district in Rzeszów!

Plot with an area of **11,85 ares** among the buildings of houses, ideal for people who want to live close to the city, but still in peace and quiet. Surrounded by the area of single-family houses, close proximity to the exit roads will provide you with efficient access to the city center. Quiet neighborhood, with views of the Rzeszów hills, access to the plot from an asphalt road.

Nearby, there is full infrastructure needed for a family home, i.e. shops, schools, green areas, clinics!

Media in the plant: water and gas. Sewerage at a distance of approx. 10m, electricity approx. 15m.

PRICE PLN 355,500, negotiable!
